

Adult Day Care (ADC)

Goal:

- To provide an environment of safety, socialization, minimal nursing care, and health promotion on a short term, day by day basis for elderly participants who qualify.
- To provide relief for at home caregivers who are responsible for 24 hour daily care.
- To supplement other community services.

Qualifications:

- ADC clients need to be independent with eating and mobility (wheel chair or walking).
- ADC clients cannot be an elopement risk, have aggression/behavioral issues, or need continuous one to one staff attention.
- Fair Meadow staff will not be responsible for medication administration.

Routine:

- Arrive at around 9:00am and leave at around 3:00pm. Fair Meadow will provide transportation to and from Fair Meadow if needed.
- Lunch and snacks included.
- ADC clients will be invited to all activities and socializing events.
- ADC clients will be allowed a designated area for resting.
- ADC clients will be able to use Fair Meadow exercise equipment.
- Bath may be provided.
